| Title | <p>Strengthening Family Bonds to Support Inmates in Welcoming a New Year</p> |
| | <p>To help inmates experience the warmth of family ties prior to the Lunar New Year and to strengthen family support, this prison held a face-to-face Lunar New Year family visitation event on January 29, 2026. The event provided inmates and their family members with the opportunity for close, in-person interaction, allowing them to share sincere communication and experience the festive atmosphere of family reunion in advance. A total of 188 inmates and 324 family members participated.</p> |
| Content | <p>During the event, inmates cherished the rare opportunity to reunite with their families, sharing aspects of their daily lives during incarceration and offering mutual encouragement, which further strengthened family bonds. Many inmates stated that spending time with their families before the Lunar New Year gave them greater confidence and motivation for the future.</p> <p>The event also showcased inmates' rehabilitative achievements, including calligraphy works and lanterns created through vocational and arts programs. Family support plays a vital role</p> |

in inmates' successful reintegration into society. This prison will continue to promote family-oriented and correctional education initiatives to assist inmates in reintegrating into society and beginning a new chapter in life.
